

Gospel Reading Plan

**As you read through the Gospels,
consider some of the following
questions:**

- What did Jesus do/not do?
- What did Jesus tell His followers to do/not do?
- What examples from Jesus's ministry can we learn from on what we should know, be, or do?
- What should THE CHURCH be/be doing?

Share your thoughts on the back. If you would like the staff to read them, you can place completed forms in the offering recepticals.
